DRUNK STONED BRILLIANT DEAD: THE STORY OF THE NATIONAL LAMPOON

"DRUNK STONED BRILLIANT DEAD: THE STORY OF THE NATIONAL LAMPOON"
(Original title)

Distributor :
MAGNOLIA PICTURES

Production date :
2014

Director :
DOUGLAS TIROLA

Release date :
25 September 2015

Synopsis:
Amid the seismic cultural shift of the 1970s, American comedy got a sharper edge when a newly minted magazine named National Lampoon stuck its middle finger up at the establishment. Spawned at an Ivy League school by the wonderfully warped minds of Douglas Kenney and Henry Beard, National Lampoon rose from a counterculture rag to a revered comic institution. Bound by a passion for the absurd and a mistrust of authority, Lampoon's irreverence spanned nearly every available social taboo from weak-kneed politics to heated racial tensions. This unique cocktail of high satire and gallows humor exploded onto America's cultural consciousness attracting visionary talents such as Gilda Radner, John Belushi, Bill Murray, and Chevy Chase, whose comedic force helped expand the magazine's spirit to stage and film. Director Douglas Tirola unearths never-before-seen archival footage and brilliantly weaves it together with the magazine's beautiful and often shocking art, reliving National Lampoon's meteoric rise from go-to magazine of the counterculture to a brand synonymous with Hollywood's biggest comedies. Energetic, revolutionary, gently perverted, and often hilarious, DRUNK STONED BRILLIANT DEAD elevates nostalgia to a roof-raising experience.

Hide DCPs from cinemas before playdate is locked by using 'Pre-Load'.

Reveal hidden content by hitting 'Book' on the Track & Book tab. (Great for un-encrypted DCPs.)

The screenshot shows the Direct Cinema web interface. At the top, there are navigation tabs: Direct Cinema, Movies, Track & Book, Theaters & Contacts, and Settings. The main content area is titled 'Distribution / Highly anticipated movie'. It features a 'Pre-Load' toggle set to 'ON', which is highlighted with a red circle. A tooltip for the 'Pre-Load' toggle explains that content is pre-loaded to the recipient's server but is not visible to them until they book it. Below the toggle, there is a 'Send Order' button and an 'Import MyTheatre List' button. A table of destinations is displayed, with columns for Name, Cinema address, City, Zip Code, Country, and Activation Date. The table is filtered to show 1 to 28 of 28 entries. Two rows are highlighted with blue boxes, showing 'Demo Exhibitor' and 'Gateway Film Center - Columbus, OH'. A modal window is overlaid on the table, showing a 'Destination' column and a 'Status' column. The 'Status' column contains 'Book' buttons for the highlighted rows. Another modal window is overlaid on the bottom of the table, showing a 'Destination' column and a 'Status' column. The 'Status' column contains 'Revealing' buttons for the highlighted rows.
